Principal's foreword

Introduction

Golden Beach State School is located at 34 Gregory St Golden Beach. Golden Beach State school is committed to the delivery of a high performing co-educational state school where students and families are very proud to be part of a culture of success. As a learning organization we have a strong commitment to

- excellence in academic achievement
- emphasis on sport and the arts
- high standards in student behaviour and presentation
- strong curriculum implementation
- integration of information and communication technologies

Golden Beach State School caters for students aged between Prep and Yr7. The total number of students enrolled at our school for 2012 was 634.

School progress towards its goals in 2012

- Implement the National Curriculum in key learning areas of English, maths, Science.
- Teachers are using data to inform student progress and differentiate curriculum.
- Implementation of the Art and Science of Teaching to focus on pedagogy.
- Using C2C to implement assessment practices and standards in English, Maths and Science.
- Increased staff, student knowledge and skills in ICT
- Continued parent satisfaction with Golden Beach being a good school.
- Provide open regular communication with parents via technology, newsletters and face to face.
- Continue to develop strategies and programs to improve on our environmental foot print.

Queensland State School Reporting

2012 School Annual Report

Future outlook

2012 proved to be a great year for Golden Beach State School as we were able to continue our success in many different aspects of teaching and learning.

It was extremely rewarding to see our students achieve continued levels of excellence in academic, sporting and musical pursuits and to have our parent community indicate an overwhelming level of satisfaction.

A selection of these highlights include

Continued strong academic achievement in the Year 3, 5 & 7 Nationwide testing program in writing, reading and numeracy.

Strong performances locally, within the region and across the state in sport

Strong performances in the arts ranging from local success in choir competitions to performances around the local area.

Continued strong parent participation and support.

Identified key areas for improvement:

English, maths and science curriculum delivery and student outcomes.

Differentiation within the classroom teaching to cater for individual student needs.

Quality teaching and learning.

School Profile

Coeducational or single sex: Coeducational

Year levels offered in 2012: Prep - Year 7

Total student enrolments for this school:

	Total	Girls	Boys	Enrolment Continuity (Feb – Nov)
2010	615	270	345	93%
2011	612	279	333	92%
2012	617	283	334	91%

Student counts are based on the Census (August) enrolment collection.

Characteristics of the student body:

Our school consisted of 26 straight classes and 1 composite class. Class sizes from P-3 were under 25 while classes from 4-7 were kept under 28. All of our students live in the Golden Beach area coming from a semi urban lifestyle. Our students come from an English speaking background with most families either being of Australian, New Zealand or English decent. Our school is continuing to grow in numbers with new housing sites being made available in the Pelican Waters Golden Beach area.

Average Class sizes

Phase	Average Class Size		
	2010	2011	2012
Prep – Year 3	22	21	21
Year 4 – Year 10	26	24	21
Year 11 – Year 12			

School Disciplinary Absences

Disciplinary Absences	Count of Incidents		
	2010	2011	2012
Short Suspensions - 1 to 5 days	16	12	13
Long Suspensions - 6 to 20 days	0	0	2
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Curriculum offerings

Our distinctive curriculum offerings

Golden Beach has a strong tradition of academic excellence. As our students move from Prep through to Year 7, they are increasingly challenged to perform to the best of their intellectual ability. Whether in the classroom, on the playing field, or on stage, opportunities for personal growth are abound.

We teach skills, understandings, and knowledge across all key learning areas in ways that help our students become successful communicators who contribute positively to their school community now and to the wider community in the future, encouraging lifelong learners who can take responsibility for their own learning.

Personal attention and a developmentally appropriate curriculum foster intellectual growth, from our early childhood education program which stimulates the imagination and makes full use of young children's spontaneous curiosity through to upper school programs which promote intellectual and social growth in an atmosphere that respects the needs of early adolescent development.

Our lively classroom atmosphere stimulates student initiative, and a high level of academic performance is promoted. Golden Beach operates specific programs to extend children and consolidate their strengths as well as to assist with learning difficulties through a range of specially designed programs with specialist staff.

Extra curricula activities

Extra curricula offerings include: Junior and Senior Choirs, Dance, Brass and Woodwind Instrumental Program, ICAS Maths, English and Science Academic Competitions, AFL Aus kick, Rugby League and Rugby competitions, Interschool Sport, Surfing and Surf Skills, Swimming, After School Sports, Student Council, Yr. 4, 5, 6 & 7 Camps.

How Information and Communication Technologies are used to assist learning

Information Communication Technologies (ICTs) play a major role in teaching and learning process at Golden Beach State School. Over the last years it has continued to be a focus learning and development area for staff. We have also continued to update our software and hardware devices to maximise the integration of ICTs into our students' curriculum. All students in years P-7 have access to the internet, computer labs and interactive white boards.

Many of our teachers are now using virtual classrooms, online learning activities, ipads, ipods and other multimedia devices to improve learning opportunities.

Social climate

At Golden Beach State School significant emphasis is placed on providing a learning environment where all students feel safe and supported. We maintain a strong sense of family through our shared commitment to ownership of all student outcomes across our school. Within our school we offer a range of support services for students and their family. These services include: school chaplains, support teachers and a guidance officer. Our school has developed a Responsible Behaviour Plan in consultation with the community. We use a teaching matrix to work with students on how to behave responsibly in a range of situations and settings.

Our school at a glance

Parent, student and staff satisfaction with the school

Parents, students and teachers have continued to show high satisfaction with our school especially in the areas of student achievement and educational opportunities within our school.

Involving parents in their child's education

Teachers continually provided many opportunities for parents to be involved in classroom activities throughout the year. These included reading groups, excursions, camps and sporting teams. We continue to invite parents and the community to be involved in the Stephanie Alexander Kitchen Garden which also enables volunteers to be involved in gardening and cooking activities.

Our P&C continually invites parents into our school community by providing voluntary activities throughout the year. Some of these activities included: tuckshop helpers, fundraising coordinators and events coordinators.

Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

Our school has identified our school environment and ways we can become more sustainable as a priority for the next four years. This plan includes: Identifying and implementing waste management strategies, incorporating our natural environment as a learning tool and creating curriculum links to create a sustainable school. This year we continued with the support of the Council recycling. Students, teachers and staff placed their rubbish in the identified bins (paper, recycle, food scraps and general) this was then reused or sent away to the correct collection centre.

The school has installed solar panels to try and reduce our electricity usage as well as ensuring all water tanks are operational for our Kitchen Garden Program.

	Environmental footprint indicators	
	Electricity kWh	Water kL
2009-2010	177,920	2,629
2010-2011	191,120	16,346
2011-2012	199,263	15,439

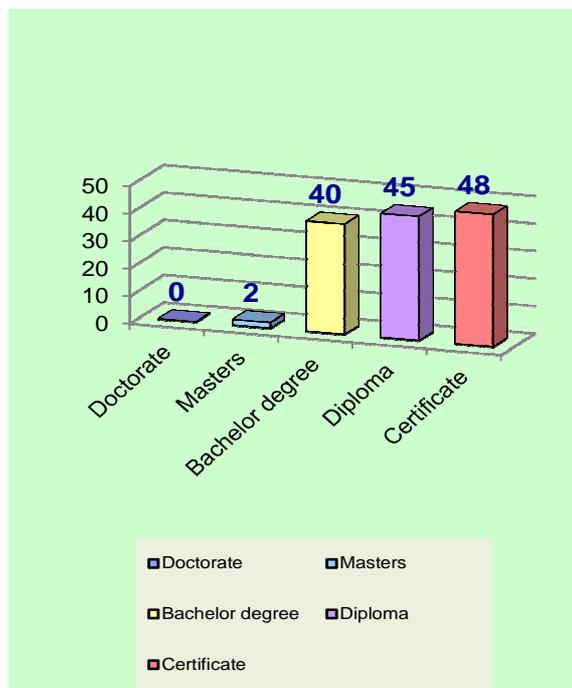

Our staff profile

Staff composition, including Indigenous staff

2012 Workforce Composition	Teaching Staff	Non-teaching Staff	Indigenous Staff
Headcounts	48	33	0
Full-time equivalents	41.8	22.8	0

Student Attendance Distribution

The proportions of students by attendance range.

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

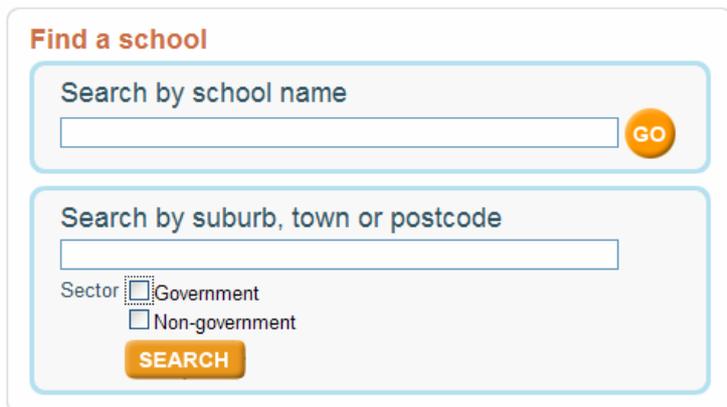

Our school is committed to every child needs to be attending every day. Class roles are marked twice a day at 9am and 1:45pm. Roles are then collected by the office staff. If parents are reporting their child being away they can call our absent line or send a note in to their class teacher. Students who miss school regularly or for more than two consecutive days are followed up by our office staff.

Performance of our students

National Assessment Program – Literacy and Numeracy (NAPLAN) results – our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9.

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 are available via the My School website at <http://www.myschool.edu.au/>.

To access our NAPLAN results, click on the *My School* link above. You will then be taken to the *My School* website with the following 'Find a school' text box.

The screenshot shows a search interface titled "Find a school". It contains two main search sections. The first section is "Search by school name", which includes a text input field and a yellow "GO" button. The second section is "Search by suburb, town or postcode", which includes a text input field, a "Sector" dropdown menu with two options: "Government" (selected) and "Non-government", and a yellow "SEARCH" button.

Where it says 'Search by school name', type in the name of the school whose NAPLAN results you wish to view, and select <GO>.

Read and follow the instructions on the next screen; you will be asked to accept the **Terms of Use** and Privacy Policy before being able to access NAPLAN data.

If you are unable to access the internet, please contact the school for a paper copy of our school's NAPLAN results.

Achievement – Closing the Gap

In 2012 we had 29 students enrolled at our school who were classified as either Aboriginal or Torres Strait Islander.

Attendance rates for our indigenous students at our school have continued to improve since 2008. Last year our attendance rate for indigenous students was 93%. This is equal to our non-indigenous student's attendance rates.

Academic achievement for our indigenous students in year 3 was above the State mean and non-indigenous school mean in reading, writing but lower in numeracy.

Academic achievement for our indigenous students in year 5 was below the State mean and non-indigenous school mean in reading, writing and numeracy.

We had no indigenous students in 2012 in year 7.
