Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:
- Provide coaching of teaching and non-teaching staff in literacy (reading, spelling, writing) and numeracy.
- Increase capacity to deliver focused teaching in reading.
- Provide outstanding knowledge and expertise in the teaching of literacy and numeracy.
- Increase in resources for reading across the P-2 sector.

Deliver intense support programs in reading and spelling for students identified in the P-2 sector.
